

Decision 14/CP.23

Review of the effective implementation of the Climate Technology Centre and Network

The Conference of the Parties,

Recalling decisions 1/CP.16, 2/CP.17, 1/CP.18 and 14/CP.18,

1. *Welcomes* the report on the independent review of the effective implementation of the Climate Technology Centre and Network (hereinafter referred to as the independent review)¹ commissioned by the secretariat in response to decision 2/CP.17, annex VII, paragraph 20;
2. *Welcomes with appreciation* the support provided by Parties² and the Global Environment Facility, and the financial and in-kind contributions from the United Nations Environment Programme, the United Nations Industrial Development Organization and other consortium partners of the Climate Technology Centre and Network in supporting the operationalization and activities of the Climate Technology Centre and Network;
3. *Notes* the key findings of the independent review regarding the relevance, effectiveness, efficiency, impact and sustainability of the services provided by the Climate Technology Centre and Network, as contained in the report referred to in paragraph 1 above;³
4. *Also notes* the achievements and challenges regarding the effective implementation of the Climate Technology Centre and Network, as contained in the report referred to in paragraph 1 above;⁴
5. *Decides* to renew the memorandum of understanding between the Conference of the Parties and the United Nations Environment Programme regarding the hosting of the Climate Technology Centre, as contained in annex I to decision 14/CP.18, for a further four-year period, in accordance with decision 2/CP.17, annex VII, paragraph 22;
6. *Authorizes* the Executive Secretary to sign, on behalf of the Conference of the Parties, the memorandum of understanding referred to in paragraph 5 above;
7. *Invites* the United Nations Environment Programme, as the host of the Climate Technology Centre, with the support of the Climate Technology Centre and Network and in consultation with its Advisory Board, and within their respective functions and mandates,⁵ to provide a management response to the relevant findings and recommendations of the independent review for consideration by the Subsidiary Body for Implementation at its forty-eighth session (April–May 2018), taking into account Parties' deliberations at this session;
8. *Requests* the Subsidiary Body for Implementation, at its forty-eighth session, to consider the findings and recommendations of the independent review, and the management response from the United Nations Environment Programme referred to in paragraph 7 above with a view to recommending a draft decision on enhancing the performance of the Climate Technology Centre and Network for consideration and adoption by the Conference of the Parties at its twenty-fourth session (December 2018);
9. *Notes* that the Climate Technology Centre and Network continues to face challenges that need attention regarding sustainable funding for implementing its functions, and that
