

**Decision 10/CP.11****Flexibility for Croatia under Article 4, paragraph 6, of the Convention<sup>1</sup>**

*The Conference of the Parties,*

*Responding* to the request of the Government of Croatia that its base year greenhouse gas emissions be considered with reference to Article 4, paragraph 6, of the Convention,

*Considering* the specific circumstances of Croatia with regard to greenhouse gas emissions before and after 1990,

*Noting* the intention that the approach taken should be conservative, and that unduly high flexibility should not be provided,

*Affirming* that this decision has no implications for historical emission levels of any other Party,

1. *Decides* that, as provided in Article 4, paragraph 6, of the Convention, Croatia shall be allowed a certain degree of flexibility with regard to its historical level of anthropogenic emissions of greenhouse gases not controlled by the Montreal Protocol chosen as a reference;

2. *Decides also* that the Subsidiary Body for Implementation will consider, at a future session, the level of greenhouse gas emissions for the base year of Croatia and the exact nature of such flexibility and recommend a draft decision for adoption by the Conference of the Parties at a future session.

*8<sup>th</sup> plenary meeting  
9–10 December 2005*
